Disclaimer: The Retreat Centers within this list are subject to change without MMTCP awareness. It is the student's responsibility to research the retreats and find the 6+ nights silent retreat that will meet the prerequisite.

Worldwide Directory of Centers and Non-Centers

<https://www.dhamma.org/en-US/locations/directory>

A note about Goenka retreats: If you are considering a Goenka retreat, please be advised that the Goenka meditation centers are led by very set rules and guidelines and follow a specific form of Vipassana or mindfulness training primarily based on awareness of sensations. This style is perhaps not as appropriate for those with trauma or who want an emphasis on lovingkindness. Please be sure you thoroughly research the center and become familiar with their rules before attending a retreat at their center.
